## *the Cause*

Named in honor of one of Tall Timbers' most treasured supporters, the Kate Ireland Memorial Dinner & Auction is a fundraising event held annually benefiting Tall Timbers Foundation, Inc. for Tall Timbers research and conservation programs. Tall Timbers' research focus is the ecology and management of fire-dependent ecosystems, and wildlife, including bobwhite quail, in the Southeastern Coastal Plain. Our conservation efforts are dedicated to helping protect the distinctive, rural landscape of the Red Hills Region of South Georgia and North Florida and its traditional land uses. Our education program transfers research and conservation information for resource management.
